Except for price changes allowed by law or regulatory action, this price is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of Reliant. After enrollment, the current price for the product is available by logging into your account at reliant.com/myaccount or calling Customer Care at 1-866-222-7100. Please review the historicalprice of this product available at https://www.reliant.com/en/historical-pricing/index.jsp or call 1-866-222-7100.

Other Key Terms and questions

Your average price for electric service will vary according to your actual usage.

See Terms of Service statement for a full listing of fees, deposit policy, and other terms.

Disclosure Chart

Type of Product	Variable Rate
Contract Term	Month to Month
Do I have a termination fee or any fees associated with terminating service?	No
Can my price change during the contract period?	Yes
If my price can change, how will it change and by how much?	The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges, changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside control. The price may change in subsequent months at the sole discretion of us.
What other fees may I be charged?	For other fees, please reference the Pricing paragraph in the Terms of Service.
Is this a pre-pay or pay in advance product?	Yes
Does REP purchase excess distributed renewable generation?	Yes; customers interested in participating in Reliant's distributed renewable generation buy-back program will need to sign up for a Reliant renewable energy Payback product.
Renewable Content	This product is 22% renewable.
Statewide average renewable content	The statewide average for renewable content is 37%.
